

Natulux Hotel is a refined design hotel based from the location, 'Furano' and the concept, 'Natural & Relax.'

The simple colors of the guest rooms and corridors, along with items made from 'wood' and 'stone' present the nature of Furano (Natural), and relaxation for guests (Relax).

We hope to have you feel and understand our intentions through our services from the healthy cuisine made from local products that may bring joy to guest, to the bedside aroma lamps, hot stone room and aroma esthetics.
